Changing the way we feed our kids

[chefannfoundation.org](http://chefannfoundation.org)

The Chef Ann Foundation is the nation's leading organization supporting school districts in developing self-operated, cook from scratch, school food programs. Founded in 2009 by Chef Ann Cooper, a pioneer in school food reform, Chef Ann Foundation (CAF) believes that every child should have access to fresh, healthy food every day to develop healthy eating habits to last a lifetime. CAF believes the greatest impact can be had by changing school food. By providing school communities with tools, training, resources, and funding, we are able to help schools create healthier food and redefine lunchroom environments. To date, we've reached over 13,000 schools and 3 million children in all 50 states.
