Need help getting started with Canva?

1. If you haven't used Canva before you'll need to [create a new account](#). It's free, and there is a pro version that is also free for nonprofits (but you have to apply for it)!
2. To edit designs after downloading or copying them, simply click the text box you'd like to edit and make your changes. The design automatically saves.
3. To download your design, click "share" in the top right corner, "download", and then you can select which pages you'd like to download.
4. OFSSGN is here to help if you need assistance customizing your designs! Just contact nadia@oregonfarmtoschool.org
